

### **The challenge**

TeachBeyond members around the world are dedicated to serving the Lord in the locations has called them to. Many of these member's face trying situations that put a strain on their spiritual, emotional, and even physical resources. In fact, due to these stresses, "about 1/2 of missionaries leave the field before the end of their first term" (Yohannan, K.P. 2004. *Come Let's Reclaim the World*. Carrollton, TX: GFA Books, p.45).

### **The opportunity**

We believe that people are motivated and energized to continue in the ministry God has called them to, through experiencing rest and focused time connecting with God.

### **Why we do what we do**

Our passion is to serve people and provide member care, guest house services, and a refuge for refreshment and revitalization for missionaries. Through pastoral counselling, coaching mentoring, and a comfortable, hospitable home atmosphere, Sanctuary seeks to assist and equip, while offering short-term accommodations and full board.

### **How we do what we do**

We operate a quality, full-service retreat experience with the goal of seeing residents experience spiritual, emotional and physical restoration.

### **What we do**

We provide a place where people involved in ministry can come and experience rest, refreshment and revitalization.

### **Our goal**

It is our goal to open Sanctuary in Horsham, UK by January 1, 2016. In order for us to meet this target, we will need \$1,500.00 more monthly support and \$70,000.00 for start up cost. Would you prayerfully consider partnering with us?
